- \$50,000 – Sculpture For Clyde Acquisitive Award (Awarded at Judges discretion)

The Award-winning sculpture will contribute to the future artistic landscape of Batemans Bay and be positioned on the foreshore. In order to qualify for this prize, please consider the long-term durability of the sculpture in a marine environment, public safety, and risk.

- \$10,000 - Sculpture For Clyde Major Award

This major Award is open to all national and international entrants, whose sculpture may exceed the value of \$50,000.

- \$1,000 - Emerging Artist Award (Outdoor)

- \$1,000 - Emerging Artist Award (Indoor)

The Emerging Artist Awards are offered in support of those early in their artistic careers, regardless of age, when this kind of support would make a real impact. An Emerging Artist is one who's career is on the rise, yet they are relatively unrecognized, they are for the most part considered to be on the path to critical and/or market acceptance.

- \$500 - People's Choice Award

The People's Choice Award is given to the sculptor whose entry receives the most votes from the public during the *Sculpture For Clyde* 2018 event.

GENERAL INFORMATION & INSTRUCTIONS FOR APPLICANTS

LIABILITY

The Management Committee will make every effort possible, including regular patrols, to protect exhibits from vandalism or theft. However, its resources and manpower will be limited, and it cannot guarantee 24-hour surveillance. It is therefore a condition of exhibition that the artist accepts full liability for theft of and/or damage to their exhibit.

The Management Committee reserves the right to move or remove sculptures for any reason, including, but not limited to, public safety concerns. By agreeing to the conditions of entry, the artist authorises the handling of his or her sculpture by the Management Committee's volunteer workers and accepts full liability for any damage that may result.

SALES

Exhibiting artists are invited to price their work for sale. The total of any agreed sale price will be payable, in the first instance, to the Management Committee as the artist's selling agent.

The Management Committee will charge a 20% commission on all sales. If there is a sale or a commission within three months as a direct result of the "Sculpture For Clyde" exhibitions, the same 20% will apply.

ACCOMMODATION

All exhibiting artists will be responsible for arranging their own accommodation. Those artists seeking accommodation in hotels or motels are advised to make bookings well in advance. Please visit www.eurobodalla.com.au,

REPRODUCTION OF IMAGES

Sculpture For Clyde has the right to reproduce images of the sculpture to be exhibited, provided by the artist for pre-selection; and any images of the work in the exhibition, for the exhibition catalogue, publicity, advertising, website, documentary, promotional video, exhibition or archival purposes in any manner connected with the exhibition or its sponsors.

SCULPTURE GUIDELINES - OUTDOOR

SCULPTURE DESIGNS AND SITE REQUIREMENTS

Sculptors need to bear in mind that this is a public art exhibition that can be expected to be attended by a broad section of the community, not just art lovers. Consequently, it can reasonably be expected that sculptures may risk being subjected to handling and being played on by children. Further, the site is exposed and may be subject to high winds. **Sculptural works will therefore need to be of strong construction and, most importantly, not present a risk to public safety.** As such, sharp edges and protrusion points and unstable constructions should be avoided. Any glass will need to be zone toughened.

Sculptures that require earthworks for installation may be accepted but can only be sited on the available grassed areas. In accordance with Willinga Park conditions, and the Management Committees environmental ethics, it will be the exhibiting artist's responsibility to restore the site after de-installation.

The Management Committee reserves the right to reject any sculptures it believes will present an unacceptable level of risk to public safety. Works that are deemed to present significant risk will not necessarily be rejected but may be exhibited subject to the artist agreeing to the implementation of risk management strategies such as the flagging of guy ropes or roping off the exhibit. However, artists may consider that this will detract from the intended visual effect and, if so, should opt for low risk designs.

Site selection will be determined in the first instance by the site requirements of the sculpture as detailed above.

TRANSPORT

All exhibiting artists will be responsible for the transport of their sculptures to and from Batemans Bay and Willinga Park.

A Manitou will be available on the installation day for the last stage of delivery to the site.

INSTALLATION & DE-INSTALLATION

Installation will take place **from 8:00am Friday 23 August with all sculptures to be in position by 3pm.** De-installation will take place from (and not before) 4.00pm, Sunday 1st September 2019.

Exhibiting artists will be responsible for the installation and de-installation of their sculptures. A small team of volunteers and a Manitou will be available on the day to provide assistance. Upon de-installation, it is the exhibiting artist's responsibility to return the site to as close to its original state as is achievable. All holes must be filled, and the landform rehabilitated to its original contours.

Any sculptures not collected by 12 noon, Monday 2nd September, will be removed and become the property of the Management Committee unless prior arrangements have been made to the contrary.

MAINTENANCE

Artists are responsible for maintaining their exhibits in a presentable condition, including repairing damage, for the duration of the exhibition.

SCULPTURE GUIDELINES - INDOOR

SCULPTURE DISPLAY

A limited number of wall and ceiling hung sculptures can be accepted, and must be delivered ready for display, with hooks, wire etc. attached.

Please note your preference for display on your application, i.e. plinth, floor, wall, ceiling.

INSTALLATION & DE-INSTALLATION

Indoor sculptures must be **delivered between 8:00am and 12 noon, Friday 23 August 2019**. Delivery prior to this date may be arranged by contacting the Management Committee. Works which have not arrived by this time will not be accepted. De-installation will take place from (and not before) 4:00pm on Sunday 1st September 2019.

Delivery address details will be confirmed on acceptance of your application.

Any sculptures not collected by 12 noon, Monday 2nd September, will be removed and become the property of the Management Committee unless prior arrangements have been made to the contrary.

TRANSPORT

All exhibiting artists will be responsible for the transport of their sculptures to and from Batemans Bay/ Bawley Point.
